

COLUMBUS, GEORGIA ONE GREAT CITY DEDICATED TO SPORTS

Sports Facilities Guide
ColumbusGaSports.com

Softball, soccer, tennis, swimming—whatever the sport, Columbus, Georgia, is the place for your next event. Just 75 miles south of Atlanta with easy access via U.S. Interstate 185, Columbus promises a top-notch experience, hosted by the award winning Columbus Sports Council and T.E.A.M. Columbus.

With T.E.A.M. Columbus, Together Everyone Achieves More. The Columbus Sports Council's experienced staff and cadre of loyal volunteers work harmoniously with Visit ColumbusGA and Columbus Parks and Recreation to ensure smooth, successful events.

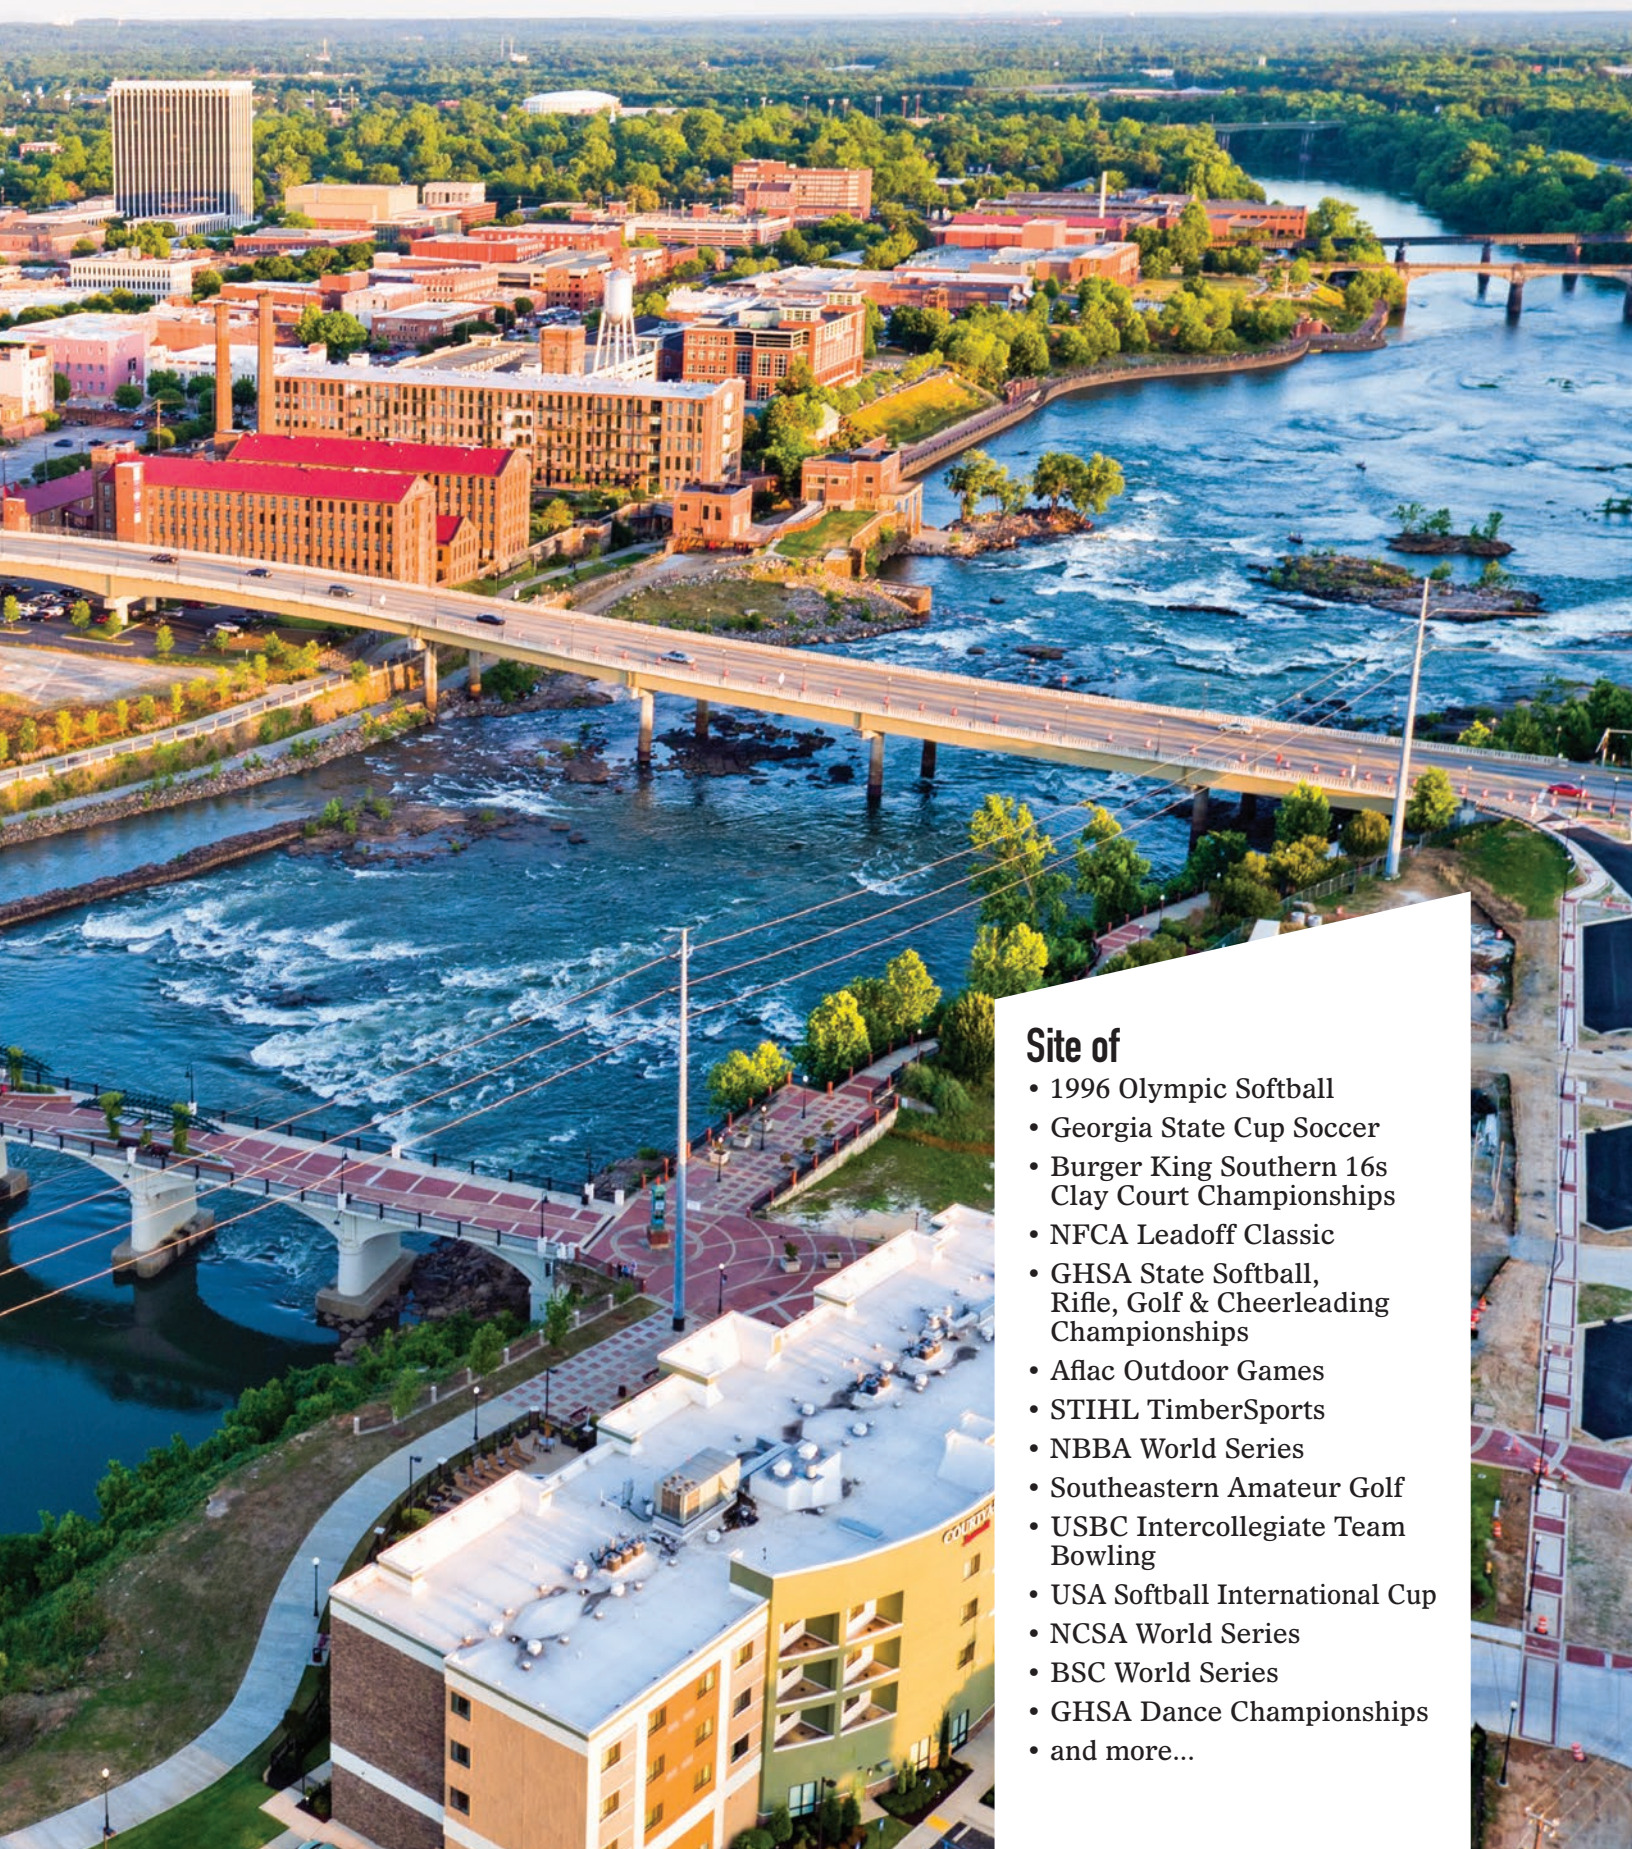

Columbus boasts more than 4,700 hotel rooms and offers a multitude of event venues, including a recently renovated eight-field softball complex originally constructed for the 1996 Olympic fastpitch softball competition, the world's longest urban whitewater course and more.

In your down time, tour the awe inspiring National Infantry Museum, explore the stars at the Coca-Cola Space Science Center, see a play at State Theatre of Georgia, the Springer Opera House, hear a concert at the RiverCenter for the Arts, or take some time to meander along our 22-mile RiverWalk.

The roster of restaurants in Columbus has exploded recently, offering something for everyone from barbecue connoisseurs to the most finicky foodies. If shopping is on your to-do list, the Chattahoochee Valley offers a wide array of unique local boutiques, complemented by a host of familiar chains.

RushSouth Whitewater Park

Whitewater, Riverwalk and Trails

Splash into one of the most exciting sections of whitewater in the country. The urban whitewater course is the longest of its kind in the world and is best described “as wild as Colorado and as warm as Costa Rica.”

With a dam-controlled flow, the course provides two varied types of whitewater rafting and kayaking experiences. In the morning, low-flow excursions offer just the right amount of adventure for the whole family.

In the afternoon, the high-flow kicks in, sending up to 13,000 cfs of adrenaline-pumping whitewater toward the class III to V rapids.

For added adventure, you can zip line across the Chattahoochee River, taking off in one state and landing in another.

If you'd rather watch than raft or kayak, stroll along the Chattahoochee RiverWalk and explore area trails, perfect for walking, running or biking.

Jonathan Hatcher Skateboard Park

Jonathan Hatcher Skateboard Park, a state of the art skateboarding facility, was built in 2009 by California Skatepark. Designed to help skaters progress from beginner to advanced, the Park is perfect for skateboard competitions.

An assortment of skate elements for all levels includes two angled rails, seven ledges, big six set, small four set, banks, pyramid and a small pocket “love seat” with two steps laid out to flow in different directions.

The BMX flow bowl was designed with three sections combined into one. The first section with three bank walls and a fast transition wall flow into the second part of the banks, tranny and two speed humps, then into the last section of two small bowls connected with a spine. One bowl has a two-foot extension and the second has a 4.5-foot vert offset.

The second flow bowl features three corner pockets and one square pocket ranging from 6 to 9 feet in height with some vert. All connect with flat walls and a speed hump. This bowl is fast, fun and provides endless lines to be skated as a racetrack.

The Peanut Bowl was designed to simulate a backyard swimming pool, offering fast transitions with a lot of vert, two dead boxes, stairs and pool tile with concrete coping.

Cougar Field - Softball

A recipient of the National Fastpitch Coaches Association and Stabilizer Solutions 2010 Field Maintenance Award, Cougar Field was rated the top playing surface in all of Division II.

A covered hitting and pitching facility was added for the 2017 season, providing the Lady Cougars a place to practice regardless of weather conditions. Dubbed the “Cougar Cave”, the 6,000 sq. ft. turf facility includes six multi-use cages with three pitching areas.

Burger King Stadium—Baseball

BK Stadium features chairback seating under a brand new roof offering spectators a comfortable environment to watch the game in any weather conditions. The stadium also features a state of the art video scoreboard in right field to provide enhanced entertainment for fans.

Frank G. Lumpkin Jr Center—Multipurpose Facility

The Frank G. Lumpkin, Jr. Center is the home of the CSU men’s and women’s basketball teams. The

Lumpkin Center covers approximately 96,000 square feet and seats 4,500 for basketball events. The 2,500 seats in the “bowl” area of the arena are chair-back, theatre-style. An additional 2,000 seats are available on the second level in the form of retractable bleacher seating.

Walden Soccer Complex

The complex is one of the premier facilities in the Southeast region with a 120’ x 75’ Bermuda grass playing surface and two 750-seat grandstands. A 2,500 square foot clubhouse includes a team locker room, coaching offices and training room as well as a concession stand and restroom facility.

John W. Walden Tennis Center

This complex boasts 12 new hard courts and nine clay courts. Six courts are equipped with PlaySight technology, a video component with live streaming capabilities that transforms the home courts into fully interactive practice sites. Columbus State is the first NCAA Division II program in the country with PlaySight technology on its home courts.
